# Get to Know Fabric Details of Your RV Cover

Series Applicable RV Type	Series A (Non-Woven)	Series B (Upgraded Non-Woven)	Series C (210D Oxford)	Series D (Upgraded Non-Woven & 300D Oxford)
 Travel Trailer	✓	✓	✓	✓
 Fifth Wheel		✓		
 Class A		✓		
 Class C		✓	✓	

- ▶ **Series A:** Made of non-woven fabric, it's soft, breathable, and tear-resistant. If you have a travel trailer and do not know which series to start with, this one would always be a good value for money.
- ▶ **Series B:** The upgraded Tearstop-Tec non-woven is exclusive to KINGBIRD, making this series the most popular choice in the market. Being soft and breathable and with a higher level of tear-resistance, whether you have a Fifth Wheel, Class A, Class C, or a Travel Trailer, you can turn to this series!
- ▶ **Series C:** Made of 210D Oxford, this series is more stretchable and has a better performance in water resistance! If you have a Class C or Travel Trailer, put it on your list.
- ▶ **Series D:** It's a luxurious series—in terms of performance and stylish design. Combining the upgraded Tearstop-Tec non-woven (for the top) and the 300D Oxford, it's softer, stronger, and can protect your Travel Trailer from the elements with the ultimate performance.

## IMPORTANT

We'd love to hear from our customers. If you have any questions about the manual or would like us to help in any way, please feel free to contact the support team. We will reply in 12 hours.

Check the **Spam** and your **email Settings** if you do not receive a reply in time as it is probably blocked because our support team will always get back to you no later than the timeframe.

*This user manual applies to KINGBIRD RV covers. It will help you to get to know your product(s). Please read the guidelines in this manual and keep the manual for future reference.*

As a travel gear innovator, KINGBIRD focuses on quality and reliable products covering road trips, boating and flying, thus, helping you have a better travel experience at ease. Customer-First is the cornerstone of KINGBIRD. Over the years, we keep innovating in materials, craftsmanship, design, service, and the like to meet and go beyond our customers' expectations. If you expect more from your travel rather than just so-so or tolerable, KINGBIRD is right here for you.

## Our Service

The customer-centric service is what we at KINGBIRD take great pride in. In addition to the hassle-free warranty covering all KINGBIRD products, an industrial-leading support team is standing behind at all times. Whenever you need help or have any suggestions and comments, do not hesitate to reach us. You're sure to get a to-the-point reply in 12 hours.

## Safety Instructions

You should read, understand, and practice safety instructions in this chapter. For any damages due to not obeying guidelines as instructed, the owner (user) should take full responsibility.

- ▶ Do not occupy an RV while the cover is on.
- ▶ Do not run the RV engine with the cover on.
- ▶ Do not install the cover when the RV roof is slippery or when the RV cover is wet.
- ▶ Do not install your RV cover in inclement weather, for example, windy or rainy days.
- ▶ Please be careful and there should be at least one partner (adult) when you are on a ladder.

## Parts List

The general Parts List (Table A) applies to the KINGBIRD RV covers below (See Table B for dimension details). Each of them comes in one (1) box. Please pay particular attention to making sure you have all the parts as shown. If you need any help, please contact us promptly with the **order number, required parts (name, quantity, and part number), and pictures (or video clips, if applicable)**, we will get back to help out soon.

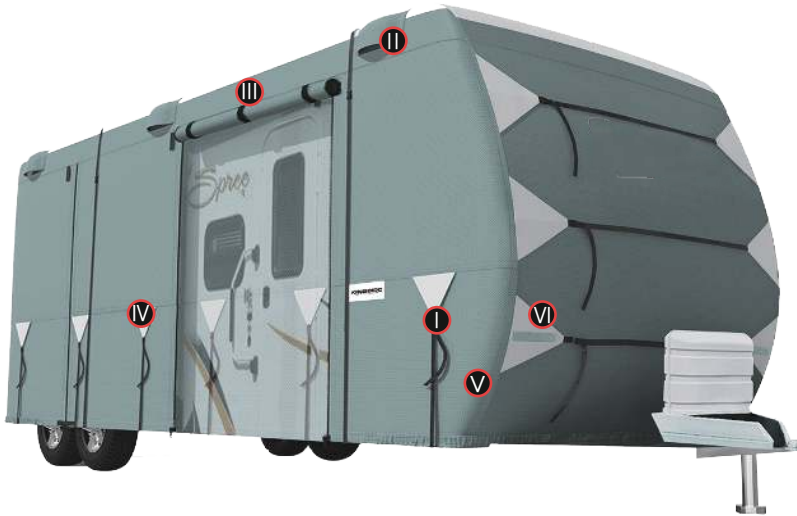

I. Adjustable Buckle

II. Air Vent

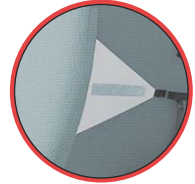

III. Zipper Door

# Installation

- ▶ Before the installation, please check to make sure that you have all parts listed on the **Parts List**.
- ▶ For easier and quicker assembly as well as your safety, we highly recommend you have at least one partner (adults required) to work with you whenever possible.
- ▶ You will not use the Adhesive Patch (#5) during the installation. Please keep them for future use.

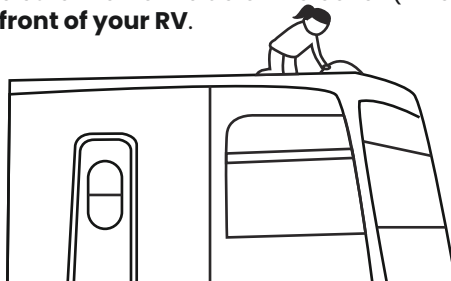

**01** | Step | Unpack the RV Cover (#1) from the Storage Bag (#3) and lay it on a spacious, flat surface near your RV, with its **outside face upwards**.

**02** | Step | Identify the front side of the cover, that is, **where the KINGBIRD logo is on**.

**03** | Step | Fold the cover from each **side to the middle**, then roll from **back to front**, till it is compact enough for you to take and put it on the roof of your RV easily.

**04** | Step | With the help of a ladder, lay **the rolled RV cover** on the roof of your RV. Please make sure the front side of the cover (where the KINGBIRD logo is on) **fits the front of your RV**.

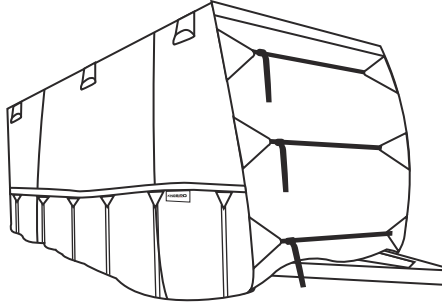

**05**  
Step

Unroll the cover to make it **loosely** covers the RV.

**06**  
Step

Step down from the ladder, and tidy up the cover to make its sides **fully fit the body of your RV**.

**07**  
Step

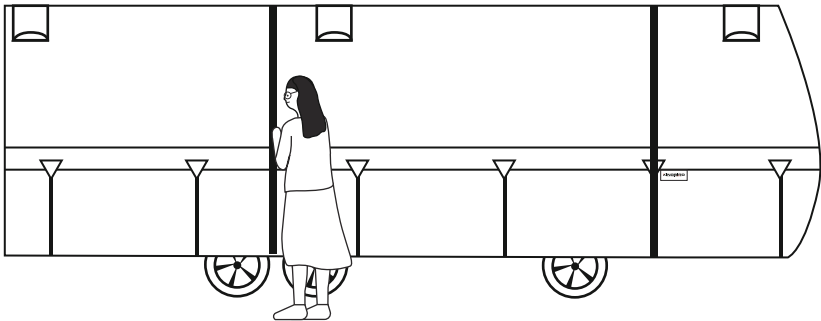

Secure the bottom with the built in straps (sewed with the triangular panels). Please note that you should **pass the straps through the RV from the bottom**, and then fasten the buckles.

**Reminder!**

Do not over-tighten the straps, or it may damage the seam because of too strong tension.

**08**  
Step

Secure the whole cover with the 2 x Windproof Straps (#2). That is, to fasten the straps after using each to **circle the body of your RV** from the top to the bottom.

**09**  
Step

Put on the 4 x Tire Covers (#4) if required.

## Maintenance

To help you maintain your RV cover in optimal condition, please refer to our suggestions below.

- ▶ **Pad** all sharp corners and edges that may puncture or snag the cover before you remove it or pull it into place.
- ▶ Do **not** store the cover when it's wet.
- ▶ Do **not** use soap, bleach, or fabric softener to clean the cover. **Spot clean** with water and a sponge whenever required.
- ▶ Do not iron the cover, let the air **dry it out**.

## Warranty

The **24-month** limited warranty covering the materials and the craftsmanship under normal use and service conditions takes effect from the purchase date (on the invoice). Please note that the order purchase proof (order number or shipping information on the shipping carton) is the only valid evidence to claim for warranty.

## Reminders

1. In the event that you failed to access your order information online, we strongly advise you to **keep the original packaging and shipping carton(s)** because they are treated as a proof of purchase.
2. To get what you need as soon as possible, we strongly suggest you provide all of the following information **at your first inquiry**.
  - ▶ Order number
  - ▶ Required parts (name, quantity, and part number for each)
  - ▶ Pictures (or video clips, if applicable)

## Warning

- ▶ Restructuring the product without written permission from KINGBIRD in advance would **VOID** the warranty.
- ▶ Damages due to improper use in severe weather conditions, including but not limited to high winds, heavy rain, sleet, snow, etc., will **NOT** be covered by the warranty.
